

P R O J E C T # 6 I N S T R U C T I O N S H E E T

## COVERED PICTURE FRAME\*

5" x 7" (with a 2 1/2" x 4 1/2" picture size)

### Materials:

1- 7" x 9" piece of Black Ink Italian Florentine paper in Venetian (IT-3977)

1- Papier-mache picture frame

Exacto Knife

Straight edge ruler

Adhesive Glue Stick (UHU)

1. Measure a square in the center of the Black Ink Italian Florentine paper in Venetian that is 2 1/2" x 4 1/2" horizontal and cut it out with your Exacto knife and straight edge ruler.
2. Next, measure 2 1/4" from each corner on all four sides creating four triangles and proceed to use your Exacto knife and straight edge ruler to cut them off.
3. Apply adhesive to the newly made template and adhere to the frame, wrapping the edges around to the back of the frame to create mitered corners

\*Template Included
