Adhesive or a Xyron machine

1. Cut both 10" x 10" squares of Wyndstone Cast Coated Embossed Cover in gold lines in half and then in half again to create 8, 5" squares. Cut each square diagonally in both directions to create 32 triangles that are 5" x 3 1/2" x 3 1/2".

2. Adhere the triangles onto the page with 1/4" borders between

3. Arrange silhouetted photos and/or memorabilia

4. Stamp and emboss on the Wyndstone Marbled paper in light brown with gold ink and embossing powder using French inspired stamps (Optional)

5. Journal on Black Ink vellum in white with a black ink pen and attach to the Wyndstone Marbled in light brown with brads. Adhere to the page and Voila!
